In case of 40ft reefer container load, we use 10 UK size pallet (100\*120) and 13 EU size pallets (80\*120)-if necessary and if applicable. Gross weights have been calculated without pallet. Pallets we use are of heavy use type according to availability. If customer has special pallet request (e.g. fumigated pallets with/without certification), he should clarify this prior or latest the moment of order placement (extra charge may rise). If no clarified until then, factory doesn't recognise any responsibility. Color of boxes is indicative and may change without prior notification (please refer to Appex. A). Logistics may change without prior notification.
