We always deliver fresh produced orders

ODER PROCEDURES IN SIMPLE STEPS like 1 - 2 - 3

CUSTOMER

Customer sends his order by e-mail

Signature, stamps and send of proforma invoice to factory *(acceptance of proforma with signature should be by manager or director who has the authority in the company to approve orders mentioning name and position in the company)*

BANK TRANSFER

Deposit of 50%

Translate the issued texts to local language *(if necessary and within the common deal)*

PAY

Should arrange to pay the rest of payment (50%)amount no later than 7 working days from factory notification. *Attention: NO order is possible to be dispatched, no matter how urgent the situation is ,if no full amount has been received to factory bank account*

ChocoTime FACTORY

Confirms the order with clarifications (if necessary) and an estimation of loading week

Issues the proforma invoice and information necessary for the preparation of the order (e.g. translation for chosen items)

Confirm the loading week of production order **In case of creation of stickers to third parties, additional time may be needed to fulfill the order*

Place the order to production plan **Only when bank swift copy sent by e-mail or payment has been dropped to bank account*

Start the production of order

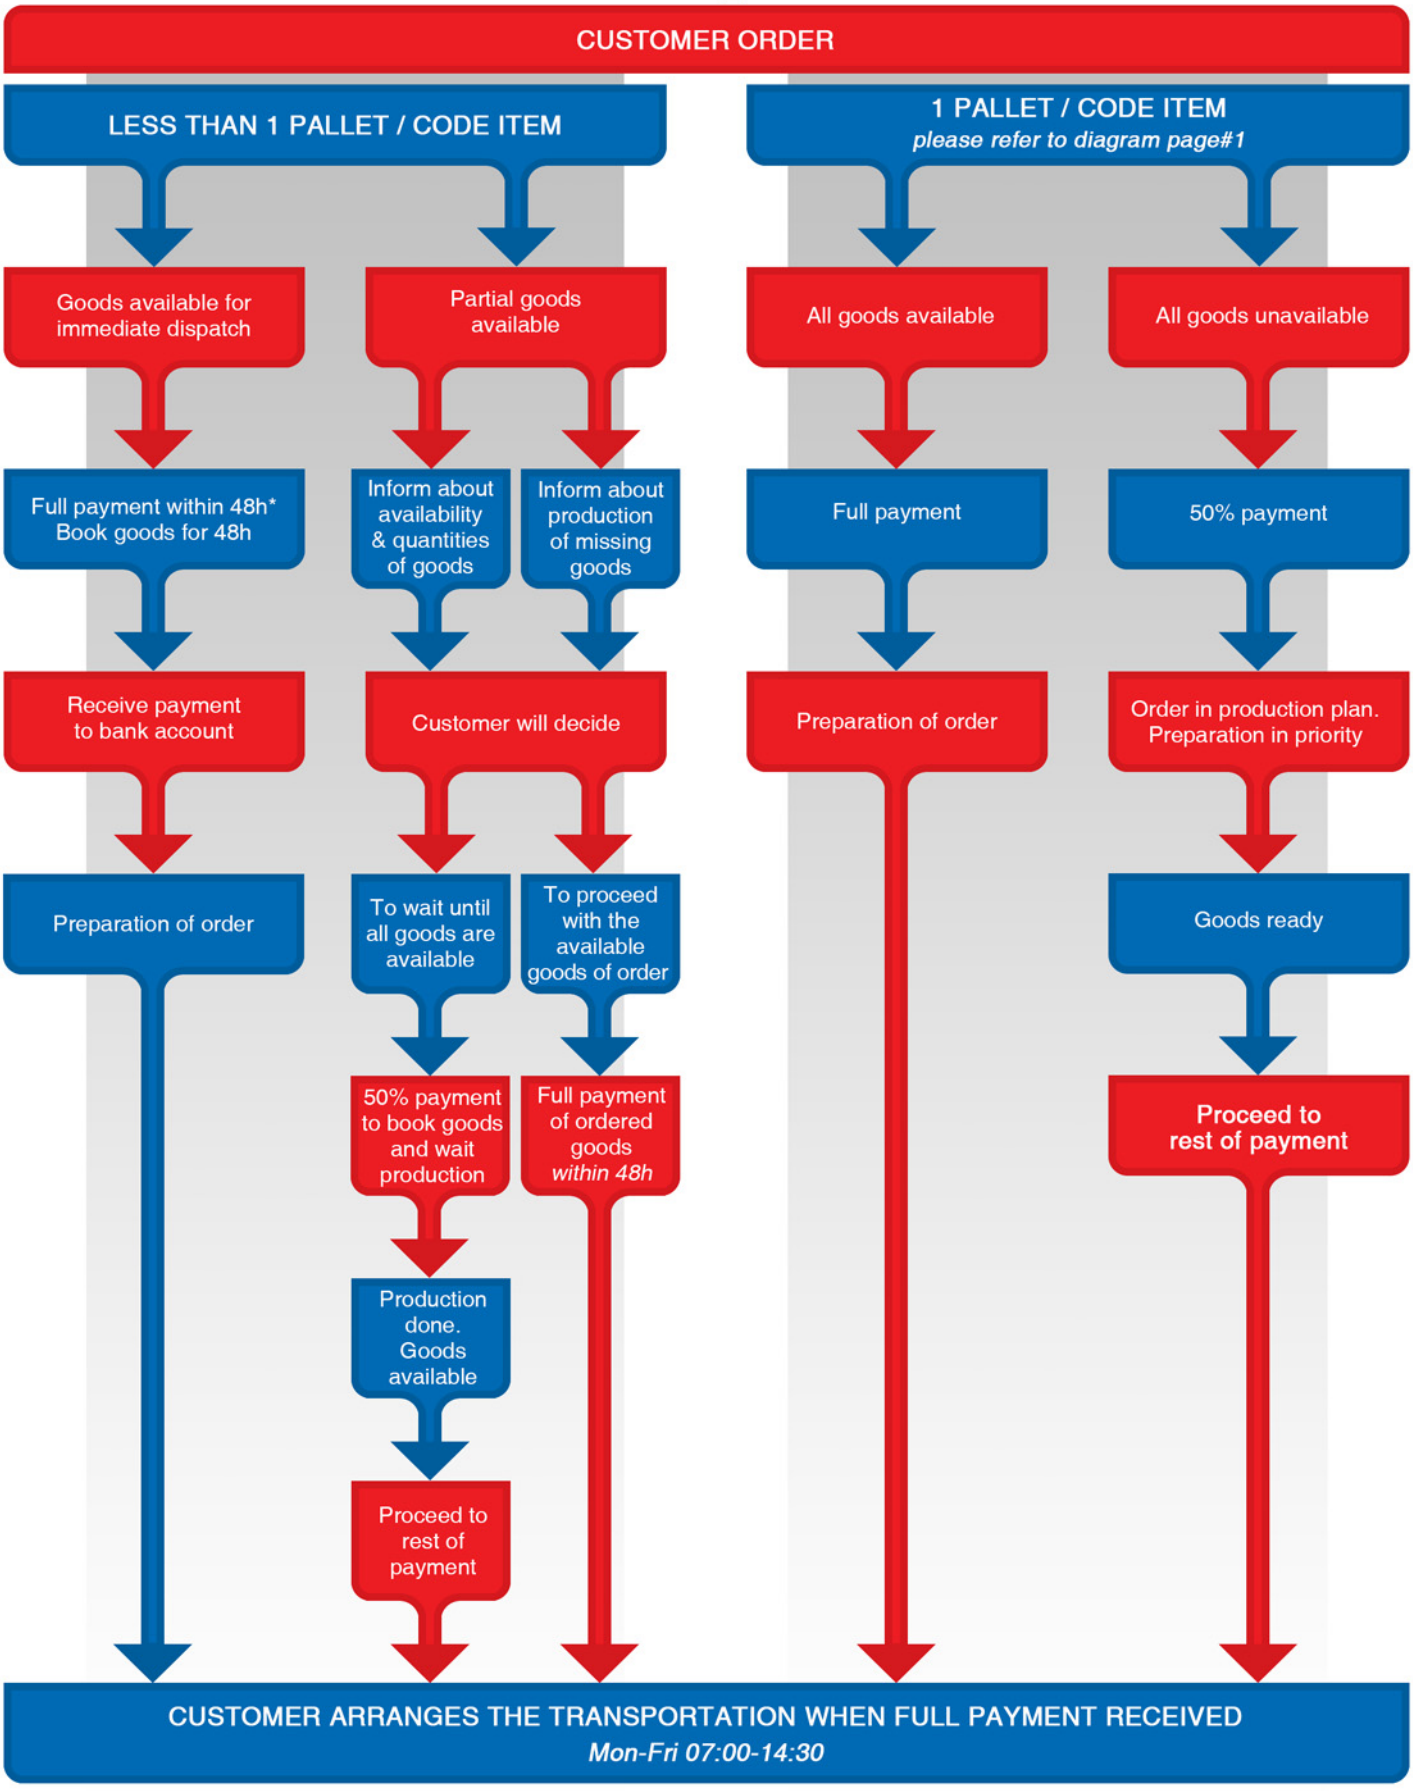

Will notify you when order is about to finish and be completed

After factory notification that goods will be ready very soon, customer will be able to arrange the pick up of the goods **Monday to Friday 07:00 to 14:30 GMT+02:00 Athens. Our offices-factory-warehouse are located to 19300, Aspropyrgos, Attica, Greece.** Always our delivery terms remain Ex-works factory (Incoterms 2010) location except if different agreed in written. Please notice we offer a free of charge service and we can arrange the transportation upon customer approval of relevant cost. Even in this case, our delivery terms remain Ex-works, 19300, Aspropyrgos, Attica, Greece and no responsibility for insurance is acceptable from our side.

Good to know: Tariff code: 18069039. Public sector inspection to issue health certificate: approx. 7 working days. Official translation from ministry of foreign affairs: approx. 5 to 7 working days. Signature, stamp from Arab-Hellenic chamber of commerce or any other chamber (except Hellenic) and/or embassy of clients' country: approx. 4 to 5 working days not any public holiday taken under consideration. Sticker cost creation and labor cost attachment is not included to any quotation except if written agreed in common. Minimum Order to apply sticker: 1 pallet per code item. In this case, only sticker cost of order is charged. For loading the goods, we use pallets 100*120mm and 80mm*120mm. Logistics supplied to printed materials or in whe web or in any other mean are not error free. You are kindly advised to check with the factory the barcodes and logistics that you are about to register in order to be 100% sure that are correct. No responsibility for errors or penalty fees are accepted by factory in case of wrong information registered. Customer is fully responsible to inform the factory in written for special request (sticker, product life duration etc.) before or upon placement of order. Standard product shelf life: 18 months, Standard information on packaging: LOT number, expiration date. If customer forgets to inform factory with special requests and in the unpleasant situation that partial order has been produced, customer is obliged to pay the incompliant products produced. All dates and periods for inspection, translation, health certificate, have been calculated without taking into account our country National holidays and are not strict. No responsibility accepted from delays created from labor strikes in road or ports during the period of loading. New logistics lists and catalogues, delete immediately all previous catalogues and pricelists without previous notification in any kind of media published. We don't charge warehouse handling.

New Order procedures

Terms and conditions: Payment terms: 50% with order confirmation, 50% with notification that goods are ready for dispatch
Delivery terms: 19300, Aspropyrgos, Attika, Greece

Note: Customer can order any quantity from any product of catalogue according to availability of goods in our warehouse.
The goods will have a minimum sellable period between 12 to18 months. Sticker creation and attachment cost is not included in any price quoted except different declared only in written. Also stickering is possible only for m.o.q. 1 pallet /code item when is planned to be produced and not if pallet is existing in warehouse ready for dispatch.

Sticker creation and attachment is possible only if quantity is more than 1 pallet in accurate numbers (1,2,3)

In case of 40ft reefer container load, we use 10 UK size pallet (100*120) and 13 EU size pallets (80*120)-if necessary and if applicable. Gross weights have been calculated without pallet. Pallets we use are of heavy use type according to availability. If customer has special pallet request (e.g. fumigated pallets with/without certification), he should clarify this prior or latest the moment of order placement (extra charge may rise). If no clarified until then, factory doesn't recognise any responsibility. Color of boxes is indicative and may change without prior notification (please refer to Appex. A). Logistics may change without prior notification.

In case of 40ft reefer container load, we use 10 UK size pallet (100*120) and 13 EU size pallets (80*120)-if necessary and if applicable. Gross weights have been calculated without pallet. Pallets we use are of heavy use type according to availability. If customer has special pallet request (e.g. fumigated pallets with/without certification), he should clarify this prior or latest the moment of order placement (extra charge may rise). If no clarified until then, factory doesn't recognise any responsibility. Color of boxes is indicative and may change without prior notification (please refer to Appex. A). Logistics may change without prior notification.

We always deliver fresh produced orders

ODER PROCEDURES IN SIMPLE STEPS like 1 - 2 - 3

CUSTOMER

Customer sends his order by e-mail

Signature, stamps and send of proforma invoice to factory *(acceptance of proforma with signature should be by manager or director who has the authority in the company to approve orders mentioning name and position in the company)*

BANK TRANSFER

Deposit of 50%

Translate the issued texts to local language *(if necessary and within the common deal)*

PAY

Should arrange to pay the rest of payment (50%)amount no later than 7 working days from factory notification. *Attention: NO order is possible to be dispatched, no matter how urgent the situation is ,if no full amount has been received to factory bank account*

ChocoTime FACTORY

Confirms the order with clarifications (if necessary) and an estimation of loading week

Issues the proforma invoice and information necessary for the preparation of the order (e.g. translation for chosen items)

Confirm the loading week of production order **In case of creation of stickers to third parties, additional time may be needed to fulfill the order*

Place the order to production plan **Only when bank swift copy sent by e-mail or payment has been dropped to bank account*

Start the production of order

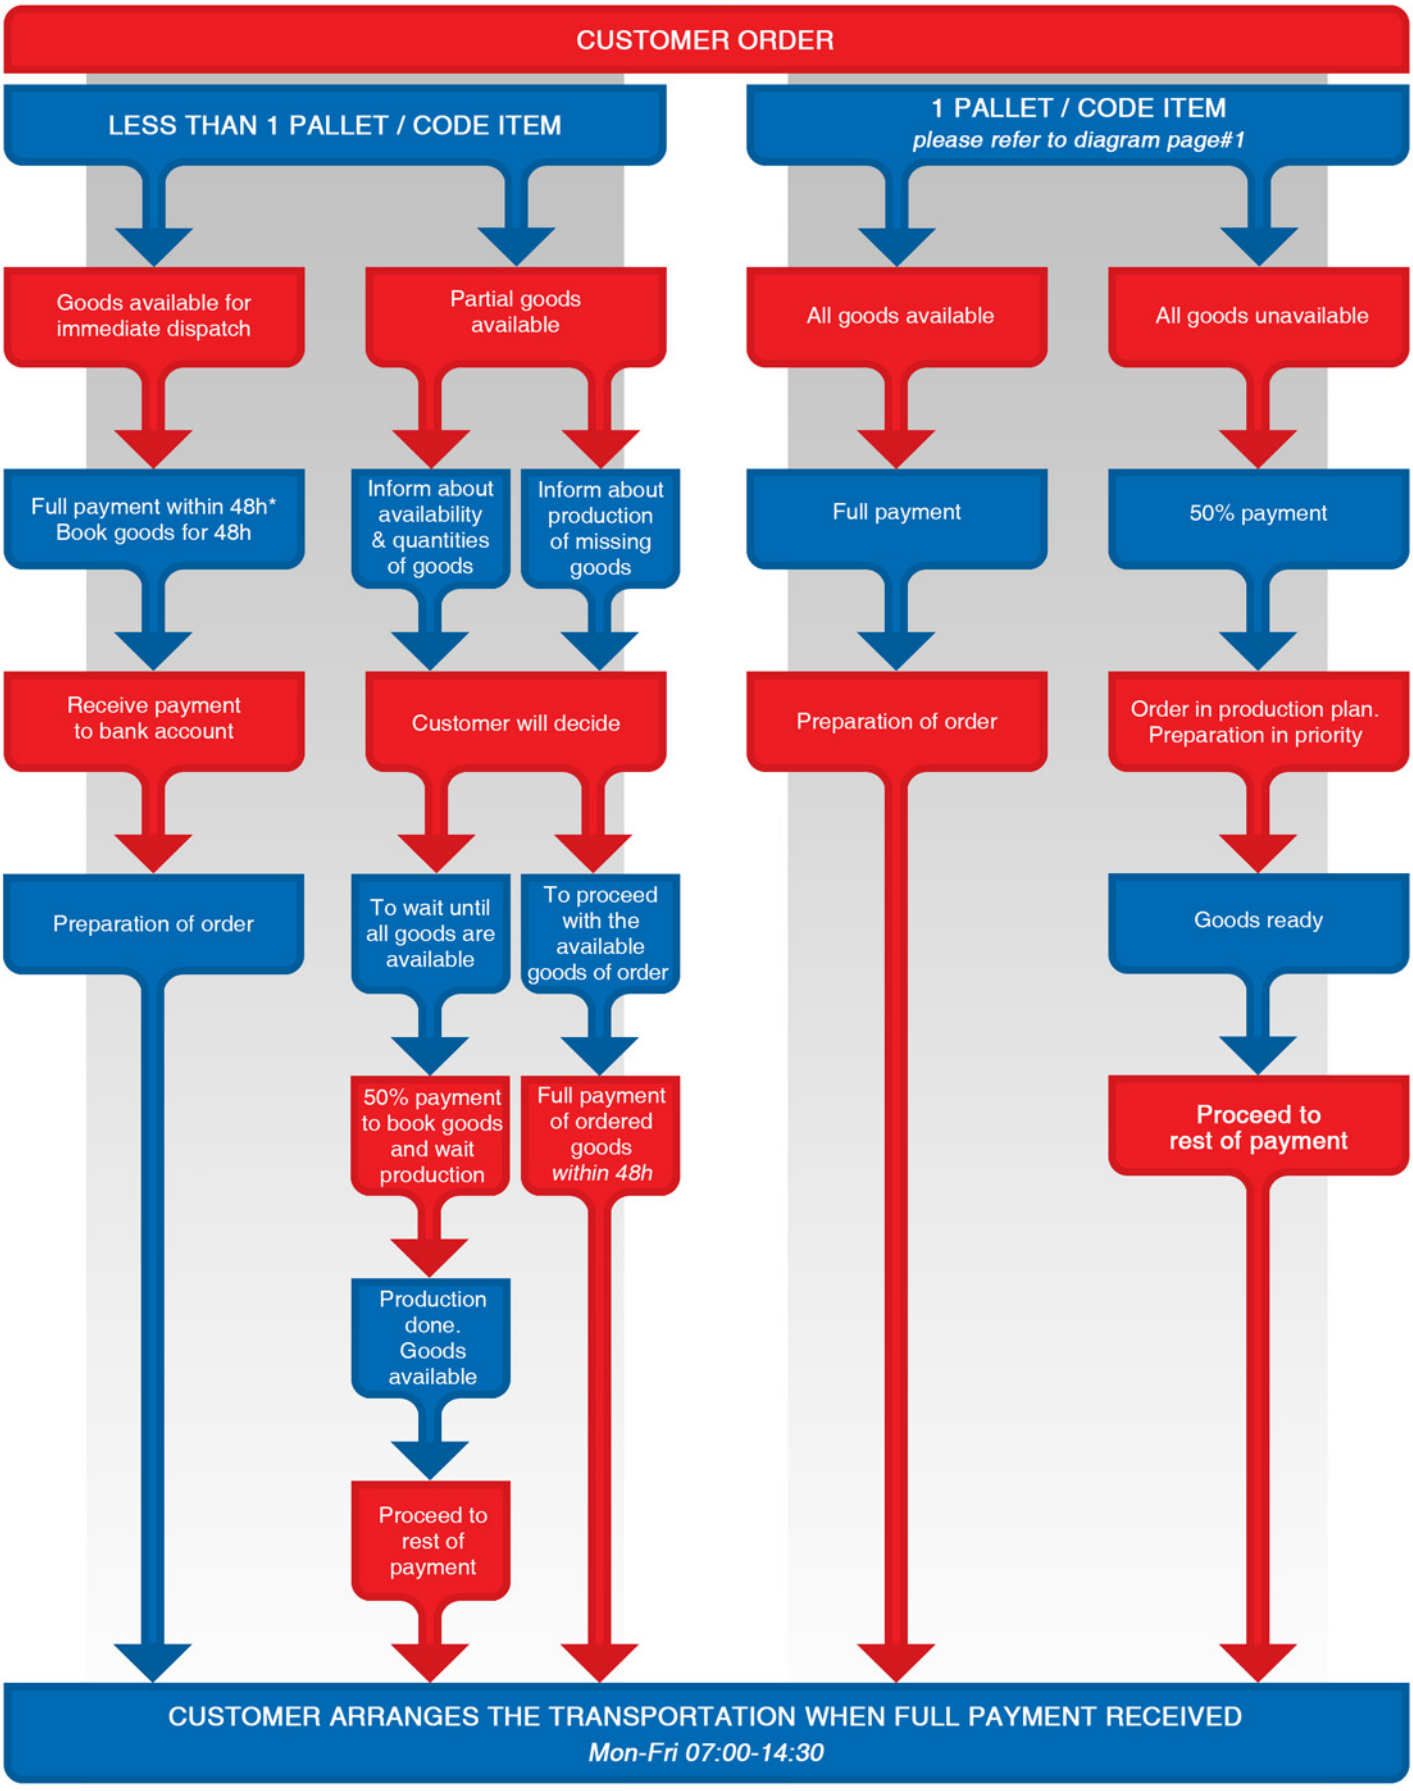

Will notify you when order is about to finish and be completed

After factory notification that goods will be ready very soon, customer will be able to arrange the pick up of the goods **Monday to Friday 07:00 to 14:30 GMT+02:00 Athens. Our offices-factory-warehouse are located to 19300, Aspropyrgos, Attica, Greece.** Always our delivery terms remain Ex-works factory (Incoterms 2010) location except if different agreed in written. Please notice we offer a free of charge service and we can arrange the transportation upon customer approval of relevant cost. Even in this case, our delivery terms remain Ex-works, 19300, Aspropyrgos, Attica, Greece and no responsibility for insurance is acceptable from our side.

Good to know: Tariff code: 18069039. Public sector inspection to issue health certificate: approx. 7 working days. Official translation from ministry of foreign affairs: approx. 5 to 7 working days. Signature, stamp from Arab-Hellenic chamber of commerce or any other chamber (except Hellenic) and/or embassy of clients' country: approx. 4 to 5 working days not any public holiday taken under consideration. Sticker cost creation and labor cost attachment is not included to any quotation except if written agreed in common. Minimum Order to apply sticker: 1 pallet per code item. In this case, only sticker cost of order is charged. For loading the goods, we use pallets 100*120mm and 80mm*120mm. Logistics supplied to printed materials or in whe web or in any other mean are not error free. You are kindly advised to check with the factory the barcodes and logistics that you are about to register in order to be 100% sure that are correct. No responsibility for errors or penalty fees are accepted by factory in case of wrong information registered. Customer is fully responsible to inform the factory in written for special request (sticker, product life duration etc.) before or upon placement of order. Standard product shelf life: 18 months, Standard information on packaging: LOT number, expiration date. If customer forgets to inform factory with special requests and in the unpleasant situation that partial order has been produced, customer is obliged to pay the incompliant products produced. All dates and periods for inspection, translation, health certificate, have been calculated without taking into account our country National holidays and are not strict. No responsibility accepted from delays created from labor strikes in road or ports during the period of loading. New logistics lists and catalogues, delete immediately all previous catalogues and pricelists without previous notification in any kind of media published. We don't charge warehouse handling.

New Order procedures

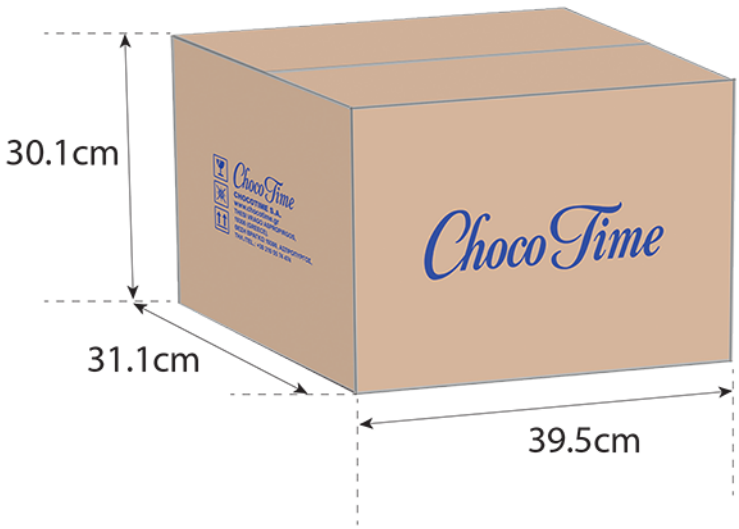

Terms and conditions: Payment terms: 50% with order confirmation, 50% with notification that goods are ready for dispatch
Delivery terms: 19300, Aspropyrgos, Attika, Greece

Note: Customer can order any quantity from any product of catalogue according to availability of goods in our warehouse.
The goods will have a minimum sellable period between 12 to18 months. Sticker creation and attachment cost is not included in any price quoted except different declared only in written. Also stickering is possible only for m.o.q. 1 pallet /code item when is planned to be produced and not if pallet is existing in warehouse ready for dispatch.

Sticker creation and attachment is possible only if quantity is more than 1 pallet in accurate numbers (1,2,3)
